Cordless cartridge press 18V

Order no. 533217

GTIN 4030293270572

- Set for film bags and bucket material available as optional accessories
- Compact cordless cartridge press for 310 ml cartridges and 300-600 ml foil bags
- With a pressure force of up to 3000 N. The software adapts the speed to the material viscosity and ensures a constant working speed. Efficient for hard materials such as construction adhesives or windscreen adhesives
- With 6 speed levels, the material flow can be preselected from 0.5 mm/s for precise work on small joints up to 14 mm/s for very fast work and wide joints. Ideal for various materials ranging from very soft to very hard
- Trigger lock for transport, ergonomically positioned and able to reach without changing the hand position
- No dripping of the material thanks to the automatic reversal function of the thrust force when the trigger is released
- Integrated LED lamp for optimum illumination of the work area.
- With metal bracket for flexible attachment
- FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger
