IPS D10-19 1/2" Set

Impact nut set

Order no. 534707

GTIN 4030293285477

Customised impact socket set with thin-walled housing, ideal for narrow working areas with 1/2 inch sockets. Manufactured from high-quality chrome-molybdenum steel, making it particularly resistant to high torques. Radius corners in a 6-point design ensure a secure hold without slipping or breaking. Box suitable for the STACK PACK system, stackable. Contents: Ø 10, 11, 13, 15, 17, 19 mm, length 35 mm and an adapter from 1/4 E6.3 to 1/2 inch.
