PE 150 18-EC C

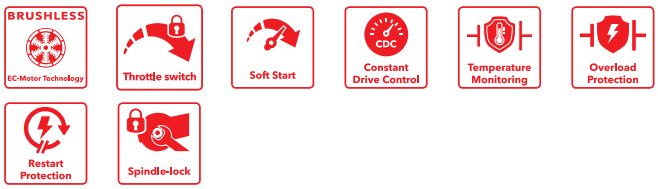

Cordless rotary polisher 18 V

Order no. 532508

GTIN 4030293263482

- As powerful as a cable polisher over the entire battery life
- CDC constant electronics prevent speed fluctuations
- Continuous speed control trigger: for a gentle start and a lock-on for continuous operation
- Simple speed adjustment via speed selection wheel with detent points accessible from both sides
- Ideal speed range for automotive, maritime and aviation applications
- Perfectly suited for removing deep scratches and for reconditioning heavily-weathered paintwork
- Maximum removal rate in the FLEX 2-step system, with the red sponge and red polish
- New generation of brushless motors delivering high efficiency and performance
- Newly-developed high-performance gearbox for maximum noise and vibration reduction
- Newly-positioned spindle lock on the underside enables intuitive disc changes and prevents accidental operation
- Ergonomically-shaped handle areas with soft grip for perfect guidance on the surface
- Flat gear head reduces the distance from the surface. This allows the tool to be guided perfectly in any position
- With rubberised resting bar for safe setting down
- Microprocessor control with soft start, restart protection after power failure, temperature monitoring, overload protection
- Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- LED battery capacity display
- FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger

Technical data

Sound pressure level in acc. with EN 60745	72 dB(A)
Battery voltage	18 V
Battery capacity	2,5 / 5,0 / 8,0 Ah
Max. support plate size	150 mm
No-load speed	
No-load speed	(110) 550 - 1800 rpm
Weight without battery pack	2,1 kg
Weight	
Vibration in acc. with EN 60745	2,3 m/s^2

Standard equipment

1 Hook-and-loop pad, cushioned M 14 (350745)
