GPH 18-EC

Battery-powered basic drive for various attachments

Order no. 532799

GTIN 4030293266391

- Greater flexibility when gardening. The three attachments: hedge trimmer, pruner, brush cutter and extension can be mounted in two positions without tools. Attachments available separately as accessories
- High-performance battery-powered basic drive with 2 speeds for various gardening and landscaping applications
- Accelerator switch with lock-on function
- Compact and ergonomic shape
- Excellent ease of use thanks to an adjustable handle and shoulder strap
- Brushless motor with greater efficiency and a longer service life
- Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger
