STACK PACK Deep Organizer

Order no. 533242

GTIN 4030293270824

Tools and accessories can be easily transported to the construction site with the robust STACK PACK storage and transport system. The boxes are made of impact-resistant plastic with aluminium-reinforced corners, protecting tools and accessories from the toughest construction site conditions. The boxes have a durable metal latch, with additional handles ensuring flexible and comfortable handling. Interlocking quick-connect fasteners allow fast, flexible and effortless connection of the individual boxes so that the storage system can be assembled according to the user's specific needs. Small parts and accessories are neatly stored in eight deep compartments in the Deep Organiser. The transparent lid provides a clear and unobstructed view of the organiser's contents. Removable dividers allow for customised storage combinations. The organiser has securely-closing, two-part metal fasteners.
