this is proformance FLEX

PP 40 12

Cordless 12 V pipe press

Order no. 534221

GTIN 4030293280618

- Very handy, light-weight machine with optimum ease of operation. Provides comfortable and ergonomic working conditions
- Compatible with all common pressfitting systems. Maximum pressing range 40 mm for plastic and 35 mm for metal
- FLEX PressControl, app for more safety and reliability. The implemented Bluetooth® technology allows tool-related data to be read out, e.g. evaluation of the tool performance, checking the tool status, installation documentation, reports and much more.
- Pressing force monitoring via LED display and automatic battery capacity control, with electronic retaining bolt safety device, automatic and precise pressing
- Integrated LED light for press point illumination even in inaccessible areas. This ensures correct positioning of the pressing jaws
- Direct process cancellation in the event of incorrect pressing, simple unlocking of the pressing jaws at the touch of a button
- Ideal adaptation to the working environment thanks to the 180° rotatable clamping neck
- For all supply lines in buildings made of copper, stainless steel or plastic materials
- FLEX battery system: suitable for all FLEX 12 V battery packs. Delivery does not include battery and charger
- LED battery capacity display

Technical data

Battery voltage	12 V
Battery capacity	2.5 / 5.0 Ah
Nominal force	19 kN
Max. pressing range, metal	35 mm
Max. pressing range, plastic	40 mm
Dimensions WxLxH	332 x 75 x 88 mm
Weight without battery pack	1.58 kg

Standard equipment

1 Carrying case L-BOXX® (534215)
1 Case insert (536075)
