STACK PACK crate

Order no. 533238

GTIN 4030293270787

Tools and accessories can be easily transported to the construction site with the robust STACK PACK storage and transport system. The boxes are made of impact-resistant plastic with aluminium-reinforced corners, protecting tools and accessories from the toughest construction site conditions. The boxes have a durable metal latch, with additional handles ensuring flexible and comfortable handling. Interlocking quick-connect fasteners allow fast, flexible and effortless connection of the individual boxes so that the storage system can be assembled according to the user's specific needs. Hand tools, consumables and accessories are quickly stowed away in the robust, open-top crate and are easy to transport.
