TKL SP SET 2

STACK PACK carrying case kit 2

Order no. 533247

GTIN 4030293270879

Tools and accessories can be easily transported to the construction site with the robust STACK PACK storage and transport system. The boxes are made of impact-resistant plastic with aluminium-reinforced corners, protecting tools and accessories from the toughest construction site conditions. The boxes have a durable metal latch, with additional handles ensuring flexible and comfortable handling. Interlocking quick-connect fasteners allow fast, flexible and effortless connection of the individual boxes so that the storage system can be assembled according to the user's specific needs. The set consists of a worktop, two drawer boxes, one with 3 drawers and one with 2 drawers, and the trolley. Ideal for storing accessories and small parts. The contents are always perfectly organised and ready to hand.
