Bit set

Order no. 533103

GTIN 4030293269439

Customised bit set for many applications, very robust and impact-resistant with 1/4 inch external hexagonal shank. For drill drivers, hammer drill drivers, impact wrenches and screwdrivers. The special torsion zone ensures extreme durability under continuous load. The clear labelling in the box indicates which bits are included in the set. Box suitable for the STACK PACK system, stackable. Contents: 1" (25 mm) PH1, 2x PH2, PH3, PZ1, 2x PZ2, PZ3, H4, H5, H6, je 3x T10/T15, each 4x T20/T25, 3x T30, 2x T40 and 60 mm universal bit holder, impact-resistant, magnetic.
