this is proformance FLEX

PP 110 18-EC

Cordless 18 V pipe press

Order no. 534223

GTIN 4030293280632

- Very handy, light-weight machine with optimum ease of operation. Provides comfortable and ergonomic working conditions
- Compatible with all common pressfitting systems. Maximum pressing range 110 mm for plastic and 54 mm for metal
- FLEX PressControl, app for more safety and reliability. The implemented Bluetooth® technology allows tool-related data to be read out, e.g. evaluation of the tool performance, checking the tool status, installation documentation, reports and much more.
- Pressing force monitoring via LED display and automatic battery capacity control, with electronic retaining bolt safety device, automatic and precise pressing
- Integrated LED light for press point illumination even in inaccessible areas. This ensures correct positioning of the pressing jaws
- Direct process cancellation in the event of incorrect pressing, simple unlocking of the pressing jaws at the touch of a button
- For all supply lines in buildings made of copper, stainless steel or plastic materials
- Brushless motor with greater efficiency and a longer service life
- LED battery capacity display
- FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger

Technical data

Battery voltage	18 V
Battery capacity	2.5 / 5.0 / 8.0 Ah
Nominal force	32 kN
Max. pressing range, metal	54 mm
Max. pressing range, plastic	110 mm
Dimensions WxLxH	360 x 88 x 108 mm
Weight without battery pack	2.35 kg

Standard equipment

1 Carrying case L-BOXX® (534215)
1 Case insert (536077)
