ADM 70 G

Laser range finder

Order no. 518956

GTIN 4030293238398

- Green laser diode
- The green line is easily visible, even in bad lighting conditions
- Length, area and volume calculation
- Determining heights with indirect distance measurement (single and double pythagoras)
- Quick determination of dimensions on construction sites
- Simple operation
- Painter function, automatic sum calculation of individual wall surfaces with the same height
- Permanent angle measurement to check the measuring position
- Continuous measuring mode
- Switchable units of measurement in m/mm, inches/feet
- Has 3 reference points
- Minimum / maximum function
- Memory function for up to 99 values
- Automatic stop
- Illuminated four-line display
- Dust- and splash-proof housing
- Variable power supply, can be operated with AAA 1.5 V batteries or rechargeable battery, incl. Micro-USB charging cable
- ¼" connection thread for tripods

Technical data

Operating range	0.05 - 70 m
Precision	± 3 mm
Laser class	2
Power supply	Integrated battery
Protection class	IP54
Dimensions WxLxH	118 x 54 x 25 mm
Weight	0.132 kg

Standard equipment

1 Carrying bag
1 USB-cable
3 Batteries AAA
