STACK PACK Garaqe Box

Order no. 533241

GTIN 4030293270817

Tools and accessories can be easily transported to the construction site with the robust STACK PACK storage and transport system. The boxes are made of impact-resistant plastic with aluminium-reinforced corners, protecting tools and accessories from the toughest construction site conditions. The boxes have a durable metal latch, with additional handles ensuring flexible and comfortable handling. Interlocking quick-connect fasteners allow fast, flexible and effortless connection of the individual boxes so that the storage system can be assembled according to the user's specific needs. The garage box has a large storage space that is ideal for tools such as circular hand saws. The automatically-locking door closes securely and prevents opening during transport.
