Compact cordless vacuum cleaner with manual filter cleaning, 9 l, class L

Order no. 534916

GTIN 4030293287563

- Extremely compact, handy and lightweight vacuum cleaner with carrying handle and strap for mobile use. Fits in all vehicles thanks to its compact design
- Effortlessly removes general deposits, stubborn dirt and water
- With radio remote control for connecting power tools. The vacuum cleaner is activated at the touch of a button or via the vibration sensor
- By actuating manual filter cleaning, dust deposited in the filter element is removed by a targeted blast of air
- Optimised cleaning and improved container filling thanks to circular filter
- The high-performance turbine ensures both a high suction capacity and a high vacuum. The outcome is an excellent extraction result
- The cordless vacuum cleaner is compatible with the FLEX STACK PACK storage and transport system. This means it can be easily transported to the construction site with additional boxes for tools and accessories. Interlocking quick-connect fasteners allow fast, flexible and effortless component connection
- With 32 mm diameter compact hose with a length of 0.5 m can be extended to 1.5 m. Very handy, for easy transport of the vacuum cleaner
- With integrated accessory storage in a separate compartment, as well as holders on the suction head for the hose
- Brushless motor with greater efficiency and a longer service life
- FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger
