HG 650 2000

Hot air gun

Order no. 532579

GTIN 4030293264199

- Powerful heat gun with temperature control in 10° increments from 50°-650°C and 2 air flow settings
- Heats up in seconds thanks to efficient heating elements
- Very convenient with LCD display for digital display of the temperature and air flow settings
- Ideally suited to many jobs: Hardening and drying as well as removal of paints and coatings, stickers, moulding and shrinking of plastic parts and shrink tubes, soldering of electrical connections and copper pipe connections
- Can also be used for removing paint and adhesive residues, foiling cars and car parts, spot repair of truck tarpaulins, and for loosening rusted and stuck connections.
- Compact and ergonomic shape
- With protective handle for optimum user protection
- Flat, reflector and reducing nozzle for numerous applications already included in the scope of delivery

Technical data

Max. air flow rate	500 lm
Temperature levels	stufenlos
Air volume	250 / 500 l/min
Air temperature	50 - 650 °C
Power consumption	2000 W
Cable length	4.0 m
Weight	0.7 kg

Standard equipment

4 Nozzles
