STE 18-3 130

Bushhammer

Order no. 534700

GTIN 4030293285408

- Ideal for roughening concrete/stone surfaces and stairs
- Fitted with 80 aggressive carbide tips, the power tool rapidly and precisely copes with all roughening work
- Working width adjustable: 3 stages from approx. 55 mm up to 130 mm
- Rotating tool head on rubber bearings, reducing noise and vibration and increasing the life of the drive unit
- Stop: infinitely adjustable with ball-bearing rollers, for precise working along the stone edge
- With steplessly adjustable, vibration-proof, ergonomic bail handle, for optimum handling and machine control
- Dust extraction guarantees low-dust to dust-free working, providing excellent protection for the users' health
